**FOR IMMEDIATE RELEASE**

## **Local Law Firm to Distribute Complimentary Hands-Free Headsets**

*Greene & Phillips encourages safe driving during holiday traveling season*

**MOBILE, Ala., Nov. 12, 2008**—As the holiday season approaches, travelers can expect increased traffic from last-minute shopping trips and visits to family and friends. In an effort to keep everyone on the road a little safer, the professionals at Mobile-based law firm Greene & Phillips are giving away 1,000 hands-free Plantronics® MX150 Mobile Headsets at no charge to community members.

“Out of concern for the safety of everyone who will be traveling this holiday season, the members of Greene & Phillips are giving something back to community to encourage safe driving,” attorney David Greene said. “Greene & Phillips would like to remind everyone that distracted driving is dangerous and can cause serious accidents. We encourage everyone to stop by to pick up a free cell phone headset.”

The high-quality headset has a flexible design with advanced microphone technology in addition to a noise-canceling boom and superior call clarity. The MX150 series is compatible with most headset-ready cell phones, including Motorola®, Samsung®, LG®, and Kyocera®.

To receive a complimentary hands-free headset, visit the firm’s Web site at [www.GreenePhillips.com](http://www.GreenePhillips.com) and fill out a simple form. Headsets will be available for pickup at the firm’s Mobile office location (50 North Florida Street) from 9 a.m. to 5 p.m. beginning Tuesday, November 18 while supplies last. Please note that participants must be at least 19 years old and are not guaranteed headsets, as they are available on a “first come, first served” basis. Limit one headset per person.

### **Holiday Driving Tips**

- Make sure your vehicle is tuned up and in good shape for travel.
- Always use seat belts and child safety seats.
- Plan your trip around heavy traffic times, such as rush hour, to avoid driving in heavy traffic.
- If you are driving a long distance, take plenty of breaks. If you get tired, find a rest stop or safe area to get out and stretch.
- Obey all traffic rules and speed limits.
